

Security Scan Report

■ Port Scan Results

- 443 (HTTPS)
- 80 (HTTP)

■ Security Headers

Content-Security-Policy: Not Set

Strict-Transport-Security: max-age=106384710; includeSubDomains; preload

X-Frame-Options: Not Set

Referrer-Policy: Not Set

Permissions-Policy: Not Set

■ Domain Metadata

domain_age: 8838

ssl_expiry: 2025-10-17 23:59:59

■ Security Score

Score: 10/10

■ Recommended Fixes

- Close unnecessary open ports using firewall rules
- Implement strict network segmentation
- Implement a strict Content Security Policy
